Subject: Dredging at Port of Portland's Marine Terminal 2

All,

We are starting to dredging at Terminal 2 today and would like to invite you to visit the site during dredging operations. Terminal 2 is located close to downtown Portland and offers a unique opportunity to see clamshell dredging at a marine terminal first-hand.

Please let me or Michelle (503-240-2032) know if you would like to visit and we would be happy to make arrangements. Please let me know as soon as possible if you would like to see dredging operations at Terminal 2.

Thank you.

Marla
